Frequently Asked Questions (FAQ)

How do I update or correct information in my Rental Pre-Application?

To update or correct information on your Rental Pre-Application prior to Monday, July 29, 2024, at 5:00PM (PST), please resubmit a pre-application by going to rjc.rcdhousing.org. Duplicate household applications will be removed from the lottery and the last one submitted will be the one accepted.

Will applications be selected by lottery, or on a first come, first served basis?

Rental Pre-Applications will be selected by lottery involving all applicants who submitted a Rental Pre-Application by the deadline of Monday, July 29, 2024, at 5:00PM (PST). The waiting list from which applicants will be invited for an interview is in the order of the lottery results. The waiting list may be capped at 3,000 applicants so it's possible not all applicants will make the waiting list.

When will I hear back on the status of my Rental Pre-Application?

If you submitted a Rental Pre-Application by the deadline of July 19, 2024, at 5:00PM (PST), you will receive an email or postcard between July 30th and September 3rd, 2024, informing you of your result from the lottery for the waiting list.

When will Rick Judd Commons open?

Construction was projected to be complete by early November 2024 but we are currently experiencing a construction delay. It's possible construction may need to continue into 2025. Please see note above. And please check our webpage for the property for update at rjc.rcdhousing.org.

What are the rent and income requirements?

Eligibility is income-restricted, as are rents, in accordance with the California Department of Housing and Community Development, City of Concord, and other funding regulations. Applicants must be able to demonstrate an ability to pay rent, which typically means that total household income is two and a half (2.5) times the rent. Reasonable accommodations may apply to this requirement on a case-by-case basis. Maximum income restrictions can be found at rjc.rcdhousing.org.
